KU 08

This is a translation of the original Finnish terms and conditions, precedence should there be any differences between the original and the translation.
APPLICATION OF SPECIAL CLAUSES

The International Special Clauses of Cargo Insurance KU 08 (800–809) shall be applied in connection with the International Clauses of Cargo Insurance KU 07 if the validity of the special clause has been agreed upon separately and an entry thereof has been made in the insurance policy or contract.

In other respects, the International Clauses of Cargo Insurance KU 07 shall apply.

These cargo insurance terms and conditions shall apply to companies’ and entrepreneurs’ deliveries within Finland, from a foreign country to Finland or from Finland to a foreign country, within and between foreign countries.

SPECIAL CLAUSES AND EXTENSIONS OF COVER

800 Accumulation Clause

Should there be an accumulation of interests beyond the limits expressed in this insurance by reason of any interruption of transit and/or occurrence beyond the control of the Insured, or by reason of casualty and/or at a transshipping point and/or on a connecting steamer or conveyance, Insurer(s) shall hold such excess interests and shall be liable for the full amount at risk but in no event to exceed twice the insurance limit, provided notice be given to Insurer(s) as soon as known to the Insured.

801 Appraisal/Arbitration

If the Insured and the Insurers fail to agree on the amount of loss, each shall upon the written demand of either made within sixty (60) days after receipt of evidence of loss by the Insurers, select a competent and disinterested appraiser. The appraisers shall then select a competent and disinterested umpire. If they should fail for fifteen (15) days to agree upon such umpire, then upon request of the Insured or the Insurers such umpire shall be selected by a judge of a court of record in the country and jurisdiction in which such appraisal is pending. Then, in a reasonable time and place, the appraisers shall appraise the loss, stating separately the value of all such goods or trademark or which in any way carries or which in any way is identified in obtaining the attendance of witnesses, and conducting suits.

802 Assistance and Co-operation of the Insured

The Insured shall co-operate with the Insurers and upon the Insurer’s request, shall attend hearings and trials and shall assist in effecting such necessary actions for securing and giving evidence, in obtaining the attendance of witnesses, and conducting suits.

803 Brands or Trademark

In case of damage to property bearing a brand or trademark or which in any way carries or implies the guarantee or the responsibility of the manufacturer or of the Insured, the salvage value of such damaged property shall be determined after removal in the customary manner (at the Insurer’s expense) of all such brands or trademarks or other identifying characteristics. The Insured shall have full right to the possession of all goods involved in any loss under this insurance and shall retain control of all damaged goods. The Insured, exercising reasonable discretion, shall be the sole judge as to whether the goods involved in any loss under this insurance are fit for consumption, and no loss so deemed by the Insured to be unfit for consumption shall be sold or otherwise disposed of except by the Insured of with Insured’s consent, but the Insured shall allow the Insurers any salvage obtained by the Insured on any sale or other disposition of such goods.

804 Buyer’s Extension

Extent of cover

This insurance covers damage to or loss of the goods and also expenses incurred in so far such damage, loss or expense is recoverable according to the cargo insurance conditions agreed by the Insured and the Insurer, resulting from:

- that the seller has omitted to acquire cargo insurance, contrary to his obligations in this respect according to the terms of delivery of the contract of sale;
- that the insurer of the insurance acquired by the seller according to the terms of delivery, does not adjust or rejects a claim for damage, loss or expense, payable under the cargo insurance;
- that the insurance acquired by the seller either provides a less extensive cover than the insurance cover agreed between the Insured and the Insurer (Difference in Conditions) or that the insured amount is too low.

To the extent that damage, loss or expense is recoverable under the insurance acquired by the seller, this insurance is subsidiary to such insurance.

Compensation

When a claim is made under this insurance, the Insured must prove that damage, loss or expense has been incurred and, where appropriate, prove that reasonable measures have been taken to obtain compensation from the seller and/or other parties concerned.

If compensation is paid by the Insurer in accordance with this insurance, he shall, where appropriate, submit to the Insured’s rights against the seller and/or other parties concerned. The Insured shall upon request by the Insurer, in his own name but on behalf of the Insurer and at his expense, pursue the Insurer’s claim against the seller and/or other parties concerned.

Other conditions

The Insured must not divulge this insurance to any third party. The Insured shall upon request of the Insurer, in his own name but on behalf of the Insurer and at the Insurer’s expense, pursue the Insurer’s claim against the seller and/or other parties concerned.

805 Buyer/s/Seller’s Interest

Subject to terms and conditions of the open cover, the Insured is indemnified for loss or damage to the goods which are on the other party’s responsibility in the event of the other party’s failure to insure goods or its insurance company refusing to settle the claim that is recoverable under the other party’s marine insurance, resulting in the trade price not being paid to the Insured.

In case of damage to or loss of the goods which the other party under the trade agreement has been obliged to insure, this insurance also covers the loss incurred to the Insured as a result of the other party’s failure to insure the goods as defined by the INCOTERMS 2000 or by other trade terms applicable.

This insurance also covers any difference of limit and/or conditions between the insurance cover provided by the sellers and the terms and conditions of the Master Policy provided that the Insured have duly presented their claim under the cover provided by the seller before claiming the difference under this insurance.

Any assignment of this cover or of any interest or claim hereunder shall discharge the Insurer from this liability under this clause, if the assignment is deemed to have caused the claim.

This clause shall immediately be considered null and void, if the Insured discloses the existence of the same or transfers the benefit thereof to the contracting party, the insurer or any other person.

806 Clause Paramount

Anything contained in the Institute Clauses referred to herein is inconsistent with the following clauses and conditions shall, to the extent of such inconsistency, be null and void.

This Clause Paramount shall not serve to override the Duration Clause in the Institute War Clauses.

807 “Claused” Bills of Lading

The insurance is not to be prejudiced solely by reason of the marking of the Bill of Lading (or like document) with a clause indicating items insufficiently packed.

808 Commencement and termination of Insurance Cover

This insurance commences upon lifting the same from the shelf in the insured’s premises for preparation of the insured voyage. Notwithstanding Clause 8 in Institute Cargo Clauses (A) it is hereby agreed, that this insurance covers the insured items until placed at final place of destination, provided that this operation takes place immediately after or as soon as possible after the goods have arrived at the final destination.

809 Concealed Damage

Should delay occur in the opening of packages and/or cartons and/or cases and/or containers after arrival of goods at destination, as provided for in this insurance, and damage found when packages are eventually opened, but not later than ninety (90) days after arrival at location or warehouse at destination, such damage shall be deemed to have occurred during the transport.

Claims on such goods to be adjusted and paid by the Insurer in the same manner as if the packages had been opened immediately upon their arrival.

Packages showing external evidence of damage are to be opened immediately upon arrival at destination and exceptions noted on the carrier’s receipt(s).
810 Container Clause

The fitness of shipping containers for the safe carriage of the subject matter insured is admitted as between the Insured and the Underwriters. To the extent that cover for shortage is provided hereunder, claims for shortage from a sealed container shall be investigated where necessary to be invalidated by the fact that seals are or appear intact upon arrival. Shortage in this context shall be determined as the difference between the number of packages loaded or alleged to have been loaded in accordance with the shipper’s or supplier’s invoice or packing list and the number of packages removed at the time the container is unloaded.

Containers that are transported at the Insured’s risk shall be covered hereunder subject to Institute Container Clauses Time 1/1/87 and Institute War and Strikes clauses Containers - Time 1/1/87.

811 Container demurrage charges

This policy shall cover demurrage charges and/or late penalties assessed against, and paid by the Insured for late return of containers when said containers are retained by the Insured at the instruction of the Insurer’s surveyor in investigation of loss or damage recoverable under the policy.

The Insured, however, acquires wherever practicable to recondition and sell such goods after removal of all brands and trademarks.

Where the disposal or sale of such damaged goods is, in the opinion of the Insured, detrimental to their interest (or which they are unable to sell or dispose of under their agreement with any trade association), such damage shall be treated as a constructive total loss and the Insured shall dispose of the damaged goods to the best advantage. Underwriters being entitled to such proceeds or they shall be destroyed subject to Underwriters agreement.

813 Control of Damaged Merchandise

In case of damage caused by an insured peril the Insured, their agents or consignees shall have the sole right to refuse acceptance of the damaged property and shall have the right to payment of the insured value of that consignment or the affected part thereof. Such property shall then be destroyed or alternatively dispatched, at Insurer(s)’ risk and expense to the supplier’s, manufacturer’s or Insured’s (including agents or associated companies) facility, as necessary for survey and testing as to suitability for sale. The Insured’s decision as to suitability to be accepted by the Insurer(s) whose risk it is, shall be final and such decision shall be final and conclusive as to all expenses involved being for the Insurer(s) account and any salvage recoverable by the Insured shall be applied against the total loss.

814 Debris Removals

It is agreed that subject to the operation of an insured peril, Underwriters will pay costs and expenses reasonably incurred by the Insured in connection with:

Removal of debris and/or destruction of damaged goods

The transfer of items covered hereunder from one conveyance to another in the event of an accident to the original conveyance which results in loss or damage to such items which is recoverable hereunder.

It is noted and agreed that where the Insured or any of their Associated, Subsidiary or Affiliated Companies are obliged by legislation or otherwise to insure locally, they shall continue to have full benefit of the protection afforded by this Policy.

It is also agreed that following the payment of a claim hereunder, the Underwriters shall be subrogated to all rights and remedies of the Insured (as above defined) under such local insurance and in no case shall this insurance contribute in double insurance.

819 Duty

This insurance is also to indemnify the Insured in respect of their liability to pay duty to the customs and excise authority of any country through which the subject matter insured may pass prior to coming into the jurisdiction of the country of destination and including the country of destination.

820 Errors and Omissions Clause

Insured shall not be prejudiced by any unintentional delay or omission in the reporting hereunder or any unintentional error in the amount or description of the Interest, Vessel or voyage, or if the subject matter of the Insurance be shipped by any other vessel, if notice be given to Insurers as soon as practicable after said facts become known to the directors or officers or whoever is considered the alter ego of the Insured and deficiency of premium, if any, is made good.

It is understood and agreed that this insurance, subject to its terms and conditions, is extended to cover goods and/or merchandise and/or other property while on exhibition or in trade fairs. The length of insurance under this section is limited to 30 days from the date of commencement of the insured transit.

Where there is no invoice, the property insured hereunder shall be valued at reproduction cost plus incurred delivery charges.

1. Any accident or breakdown of the carrying vessel, vehicle or craft or delays resulting therefrom
2. Loss or damage which would be covered by the Institute War and Strikes Clauses Hulls Voyage
3. A General Average Act
4. A salvage or life saving operation

823 Extension of the Insurance (FCA Incoterms 2000) for purchase transports

Notwithstanding the Transit Clause in the Institute Cargo Clauses, the insurance attaches when the risk for the goods passes, according to the term of the delivery, from the seller to the buyer, i.e. when goods have been placed at the disposal of the carrier nominated by the buyer on the seller’s arriving means of transport not unloaded.

However, in the event of a loss adjustment involving foreign currency, conversion into or from EUR shall be at the free rate of exchange published by a leading Finnish Bank as of the date of settlement. If, however, any part of or all of the adjustment is based on the cost of replacement or reconditioning, then that amount of settlement so based shall be converted into EUR at the rate of exchange published by a leading bank at the time the cost of the replacement or reconditioning is incurred.

827 Fraud and Deceit
This insurance covers loss or damage to the property:

General average deposits shall be payable on production of general average deposit receipts.

831 Handling Costs

Any shipments that would be covered hereunder but for the provisions of the Institute Classification Clause are held covered at an additional premium to be agreed; and the terms of such Institute Classification Clause shall not prejudice any claim hereunder, when presentation of the claim advice to Underwriters is the first indication that a shipment, beyond the control of the Insured, has been made by a vessel which is not covered within the terms of such Institute Classification Clause, provided the appropriate additional premium is paid as soon as practicable thereafter.

834 Insufficiency of Packing
In the event of a claim being made for loss or damage which is alleged to be caused by insufficiency or unsuitability of packing or preparation of the subject-matter insured, Insurers hereby agree that they will not use such alleged insufficiency or unsuitability as a defence against the claim in any case where packaging or preparation was carried out by a party other than the named Insured and the insufficiency or unsuitability arose entirely without the named Insured’s or knowledge. For the purpose of this clause, ‘packing’ shall be deemed to include stowage in a container or lift van. The above agreement is not to interfere with rights of subrogation against packers’ insurers.

Notwithstanding the above, it is further agreed that where packing or preparation is undertaken by the Insured, Insurers accept such packing or preparation as sufficient and suitable to protect the subject matter insured against loss or damage and further agree to waive rights of subrogation against the Insured, provided such packing is customary for the trade or subject or in accordance established packing practices of the Insured.

846 Partial and Advance Payment
In the event of a loss covered by this insurance, it is understood and agreed that the Insurer shall allow a partial and advance payment(s) of claim, subject to the policy provisions and the adjustment process. Once in principle a claim is well established, but is in the process of adjustment and/or restoration and the parties know about the unavoidable period of time until final documentation and assessment can be accomplished, the Insurer is prepared to agree to a down payment of at least one third of the expected final amount of loss. To obtain said partial payment, the Insured shall submit a partial evidence of loss with supporting documentation.
