## What is this type of insurance?

Boat insurance can be used to insure a sailing boat or motor boat for pleasure boating, used primarily in Finland. The boat to be registered must already be registered in Finland. There are two alternatives available: Comprehensive motor vehicle insurance and Medium Motor Insurance. Comprehensive motor vehicle insurance includes everything in Medium Motor Insurance plus cover for boat losses. For boats with an outboard motor of a maximum of 20 hp, the best alternative is the Small boat insurance. Rowing boats and outboard motors of up to 5 horsepower can be insured with MyHome Insurance.

### What is insured?

The following is insured of a sailing or motor boat:

- ✓ boat hull
- ✓ rigging and sails
- ✓ engine and running equipment
- ✓ essential machines, equipment and software related to boat use
- ✓ floatation suits and rainwear
- ✓ a dingy that is at most 3.5 meters long
- ✓ the boat's laying-up blocks and covers.

The maximum amount of compensation is the property's current value but not more than the sum insured.

The insurance covers material damage caused by any of the following insurance events:

- **Boat loss** – we will compensate a loss caused to the object of insurance as a result of running aground, touching ground, collision with a stationary or floating object, by storm or a sudden and external cause when the boat is stored on land.
- ✓ **Theft and vandalism** – we will compensate unauthorised use or an attempt thereof of your boat or its accessories while locked or kept in a locked space. We will also compensate loss or damage caused to your boat or its accessories by a wilful act of damage.
- ✓ **Fire loss** – we compensate loss or damage caused by an outbreak of fire, explosion or lightning.
- ✓ **Laying-up and transport loss** – we compensate losses caused to the boat by storm, boat collision or capsizing or collision of falling over of its means of transport when storing, launching or retrieving your boat or transporting it on land.
- ✓ **Boat liability insurance** – we compensate up to EUR 1,000,000 if you are by law liable to pay damages to a third party in a personal injury or property damage case.
- ✓ **Boat legal expenses insurance** – we compensate reasonable expenses for legal counsel and presentation of evidence when the insured person is a defendant in a case concerning endangerment of traffic safety, negligent causing of a bodily injury or involuntary manslaughter, or the complainant or claimant in a criminal case. We also compensate the above costs when the insured person is the plaintiff or defendant in a civil case concerning the ownership, repair, maintenance or insurance compensation of the insured boat. The maximum amount of compensation is EUR 10,000 per insurance event.

### What is not insured?

- ✗ No compensation is paid if the loss has been caused deliberately. If the loss or damage was caused through gross negligence or if the use of alcohol or other intoxicant has contributed to the loss or damage, the compensation may be reduced or disallowed.
- ✗ The insurance does not cover any damage to the property belonging to the boat's owner, keeper or driver, or injury to a water skier being towed. Neither does it compensate losses caused during gainful employment.
- ✗ Legal expenses insurance does not cover any legal expenses which you have been ordered or you have agreed to pay.

The insurance does not cover the following, for example

- ✗ the boat's transport equipment, special paint jobs, buoy equipment fuels and lubricants, fishing and diving gear
- ✗ clothing other than floatation suits or rainwear

### Are there any restrictions on cover?

- ! Storm damage is compensated only if the wind velocity at the time of the loss event averaged over 15 m/s, according to the measurement by the meteorological station nearest to the place of loss, and the weather has a causal connection to the damage.
- ! Laying-up and transport losses are only indemnified if you are not entitled to compensation from the party that performed the lifting or launching or from the transport company.
- ! Boat insurance is not valid when the boat is being rented or used for gainful purposes, unless separately agreed.
- ! Neither is the insurance valid in rafting or in motor boat racing.

### Extension of territorial limits

The territorial scope of boat insurance and the related general liability insurance can be extended by separate agreement and for an additional premium to include either Europe or Europe and certain other parts of the world. The extension for Europe includes not only the areas in the basic coverage of Europe but also Madeira and the Canary Islands and all of Mediterranean and the Black Sea. The extension of Europe and certain other parts of the world covers the Atlantic Ocean, limited in the north to Iceland and the eastern tip of the Labrador Peninsula and in the south to inside the area formed by Recife and the Canary Islands, covering also the Gulf of Mexico and the Caribbean Sea.
